A Message From Mr McLugash

Welcome back to all families after what I hope was a relaxing half-term break! We have an incredibly busy few weeks ahead of us as we approach the Easter holidays: full of trips, events in school and parents' evenings, which will be a fantastic opportunity to learn about the progress your children are making, what we are doing in school to support them and what you can do at home to ensure they flourish and succeed. We will be using a website called Insight Tracking to share your children's data with you, which year 6 parents will have seen already following the SATs information evening, so do look out for this over the next few weeks.

Also, a big well done to Year 1 who had the top attendance in February at 99%

Parent Feedback Form

Thank you to those who have already submitted the parental feedback online form. If you haven't had the chance yet, please know that responses are still welcome.

PARKING

A reminder not to park on the zig-zag lines outside the school between 8am and 4pm.

A few cars have been stopping there regularly, and these people have been spoken to.

This is a legal requirement and is in place to keep our children safe.

Thank you for your cooperation.

Governor Vacancy

Do you have some time to volunteer?

Would you like to contribute to shaping the education of the next generation?

If so, you may want to be a local governor in our school.

Please contact the School Office for further information.

Cadent Gas update

Following our Dojo update please note that; most equipment has now been removed, including the one-way traffic system. Please remember that the school day commences at 8:45am, if your child arrives after 8:50am they will be recorded as late and this will affect their attendance percentage.

If you have any questions, please contact the school office. Thank you.

If you would like this or any other communications translated to another language, please let the office know.

Parents Evenings- 23rd & 25th March

Its almost that time again, Parents evening sessions will be available to be booked early next week via your Arbor app, we also have an NHS Mental Health Nurse at school during the parents evening sessions on the 23rd.

If you have any questions, please do not hesitate to let the office know.

Thank you

Colour Dash
We're really excited to share that we've planned a Colour Run this June in support of Leicester Children's Charity. More information will be coming soon.
To help everyone get ready, children will be asked to wear a white T-shirt, clothes that can get messy, and any bright accessories they may have.
More information about this to follow
